Vicki,

Thanks for sending this note and links. Kate is away and will return on Tuesday.

Since the links lead to prompts for a password, I'll see if we have access to *Inside TSCA*.

ACC urges NAS to overhaul formaldehyde review panel

The chemical industry is urging NAS to alter the membership of the panel to review EPA's draft formaldehyde assessment, echoing calls from GOP lawmakers who feel the panel will be sympathetic to the agency.

GOP renews call to eliminate NAS 'conflict of interest' in formaldehyde review

Republican House members are renewing arguments that the upcoming National Academy of Sciences peer review of EPA's draft formaldehyde assessment is compromised by a potential conflict of interest and must be "reset."
